WE DO BUSINESS. WE DO IT BETTER.

REALTIONSHPIS, EXPERIENCE, ACCOUNTABILITY

FACT, Inc. has delivered the technical savvy and IT solutions that help businesses achieve strategic goals. Headquartered in Overland Park, KS, is a Minority Business Enterprise IT consulting company with incredibly talented employees working for clients across North America. At any one of those clients, you will find a team of top-tier technologists and business leaders who care deeply about delivering exceptional outcomes for your organization.

It has been our philosophy that we turn consulting engagements into long-term partnerships. FACT, Inc. applies industry best practices, methodologies, and accelerators to increase the speed of projects and improve ROI. As a niche company, FACT, Inc. has scale, flexibility, geographic reach, and a nimble approach centered exclusively to the needs of our customers.

WE ARE IT.

FACT, Inc. develops sustainable relationships — with both clients and consultants—based on trust, responsiveness, and accountability. While FACT, Inc. continues to expand the infrastructure and resources available to our clients, we remain nimble in our approach to customer service and the management of our relationships. We believe that one of our greatest assets is our ability to listen and deliver.

MANAGED SOLUTIONS

Managed Solutions leverages the depth of our technology expertise and resources to deliver focused solutions through a standardized framework of delivery and project management methodologies.

Managed Solutions’ offerings are completely scalable, and our team can work directly with you at your site, or at our Development Center, to manage existing projects or in the development of turnkey systems. This flexible approach allows you to exercise the degree of control you desire over the project and its related costs.

FACT Managed Solutions are organized into distinct groups or service lines — offering focused capabilities and value at the practice and point solution level and complementary value across practice lines.

WITH FACT, YOU’LL GET TECHNICAL EXPERTISE AND INDUSTRY KNOWLEDGE. WE HAVE EXPERTS IN THE FIELDS OF AUTOMOTIVE, GAMING, MANUFACTURING, FINANCIAL SERVICES, GOVERNMENT, ENERGY, HEALTHCARE, ENGINEERING, INSURANCE, RETAIL, LOGISTICS AND TELECOMMUNICATIONS.
